

Staff Pension Plan Advisory Committee Report – 2014 TFEU AGM

The Staff Pension Plan Committee has spent the last year working on the transition from the BCTF Staff Pension Plan (SPP) to the Municipal Pension Plan (MPP). Pension Bulletins were sent to members throughout the year in an effort to provide ongoing information on the transition from the SPP to the MPP. The bulletins can be found on the BCTF Staff Internal web page <http://www.bctf.ca/internal/> under “TFEU Pension Plan Information”. As a result of the transfer to the MPP, the future composition of this committee will be different. Once the transition to MPP is complete the committee will spend some time reviewing the composition of the committee and how it will best service the members going forward.

If you have any question please contact a member of the committee:
