

Transportation Alternative Report

### **Commuter Challenge**

We're participating in the [BC Commuter Challenge](#) this year, and we want to win!

For those of you unfamiliar with the Challenge, it's a great initiative promoting sustainable transportation, healthy lifestyles, and team-building. Basically, the Challenge is to commute to work sustainably, by walking, biking, carpooling, using public transit, telecommuting, etc. during the week of June 1<sup>st</sup>-7<sup>th</sup>, 2014.

Some prizes are awarded based on highest participation, so we need you to register, and log your commutes online! Other prizes are randomly drawn, so ANYONE could WIN! Prizes include e-readers, event tickets, gift certificates, and more!!

To **register**, you can follow this link (it only takes a minute):

[app.commuterchallenge.ca/commuter/register/GoVr](http://app.commuterchallenge.ca/commuter/register/GoVr).

To **log your commutes**, sign into the account you created here (you can log them daily, or all at once): [commuterchallengebc.ca/sign-up/](http://commuterchallengebc.ca/sign-up/).

**And, please put your name into one of the jars in the staffroom!!**

### **Compass Card**

The committee is still trying to figure out how best to deal with this. We are monitoring the website for information and will keep you posted.

Respectfully,

TRAC
