

TFEU Sub-Local 3 (VSTA) – Report to AGM, June 4, 2015

Here is a brief report from Sub-Local 3:

- Our contract expires at the end of June 2015. Calum sent a letter on our behalf to the employer to give notice to bargain. Due to a change in presidency at VSTA in 2015-16, we do not anticipate bargaining to begin until the Fall. Thanks to TFEU for providing consulting services.
- Thanks to Kelly in Coquitlam for hosting a sub-locals' meeting in March. It's a great way for sub-locals to share common concerns and provide support.
