

**Employee and Family Assistance Program (EFAP) Committee
Report to the TFEU AGM Membership Meeting – June 28, 2017**

The EFAP Committee has nothing to report at this time, but would like to remind TFEU members that you can access My EAP on your phone, by downloading the app. Click [here](#) for more information on the app.

In addition, your immediate family members can register for their own account on www.workhealthlife.com and then get the app for their phones too.

1. To register online, go to www.workhealthlife.com. Click on “Register.”

The screenshot shows the workhealthlife.com homepage. At the top left is the logo and a tagline: "Your Employee and Family Assistance Program is a support service that can help you take the first step toward change." At the top right are links for "Register" and "Login", a language dropdown set to "English (Canada)", and a search bar. Below this is a teal navigation bar with categories: "my services", "health & well-being", "career & workplace", "financial security", and "life events". The main content area features a large image of four people socializing at a bar with the text "Safe Summer Socializing: Drinking Responsibly over the Summer Months" and a "Read more" button. To the right is a "Let us help" sidebar with the text "Your EFAP provides immediate and confidential assistance for any work, health or life concern." and three buttons: "Get started online", "Chat with a counsellor", and "Email a counsellor". A red arrow points to the "Register" link in the top right.

2. Type in “BC Teachers’ Federation” and click “Search.”

The screenshot shows the registration page on workhealthlife.com. The breadcrumb "Home » Register" is visible. The main heading is "Please tell us your organization". Below it is a search bar containing the text "BC Teachers' Federation", a "Search" button, the word "or", and a "Browse as a guest" button. A red arrow points to the search bar. Below the search bar is a short paragraph: "By specifying your organization, you enjoy a more extended experience of workhealthlife." To the right is a "Let us help" sidebar with the text "Your EFAP provides immediate and confidential assistance for any work, health or life concern." and two buttons: "Call 1.844.880.9137" and "Worldwide Access Numbers".
