

TFEU Job Evaluation Committee Report

I have included the report here because this period has been quite busy for the Job Evaluation Committee. We looked at 4 Form 1 requests – i.e. Employer generated requests – and 1 Form 2 request from an Employee. We also had a couple of Housekeeping requests; these are minor changes and cleanups to Job Descriptions. Currently there are 6 Job Descriptions in progress ranging from a complete new draft to some final cleanup on 2 JDs.
